

Hopes And Dreams

Music + Responsive
Classroom + Technology

Steps of the Project

01

Jabari Tries

We read a book about a boy who had hopes and dreams.

02

Rhythmic Speech

Rhythm, speech, beat

03

Music Hopes and Dreams

Discussion on Hopes, Dreams, possibilities for music

04

Write them down

Display them for reference. Teacher compiles into Word Art.

05

Compose + Perform

Rhythmic Speech + Word Chains

06

Technology + Feedback

Record using camera app, flipgrid, seesaw, then share with classmates and practice feedback

02

Rhythmic Speech

Text/Rhythm by B.
McCleery

Read Aloud + Rhythmic Speech

Hopes and dreams, hopes and dreams.
Sometimes they make you scream.
Sometimes they turn out right.
Hopes. And. Dreams.

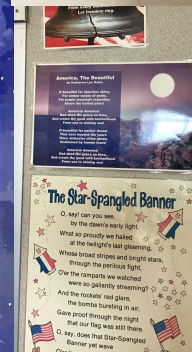

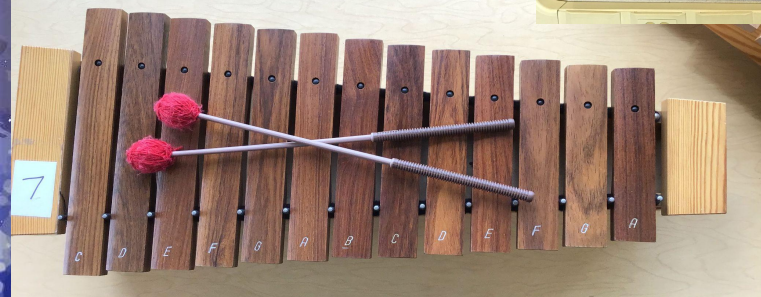

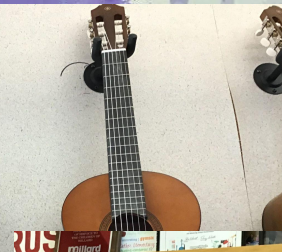

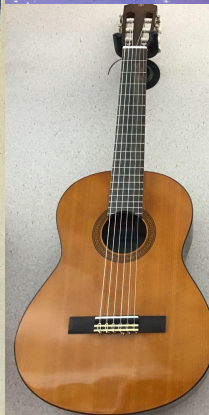

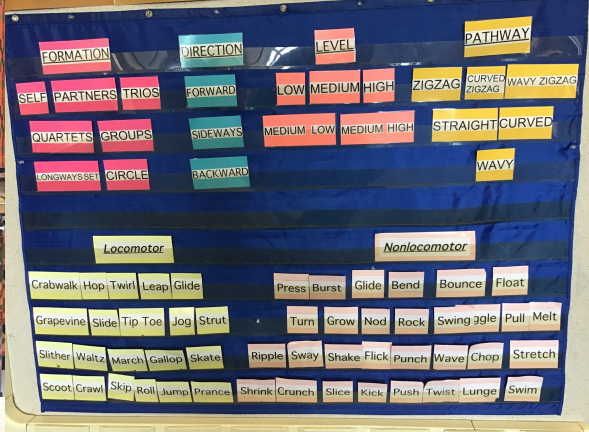

03

Music Hopes and Dreams

Oh the possibilities

Hopes and Dreams

“Hopes and Dreams” is a responsive classroom term used to ask kids what their goals are for school. It can be hard to imagine the possibilities for music, so I took photos of things around my room and I put them into a “Hopes and Dreams” collage to inspire ideas.

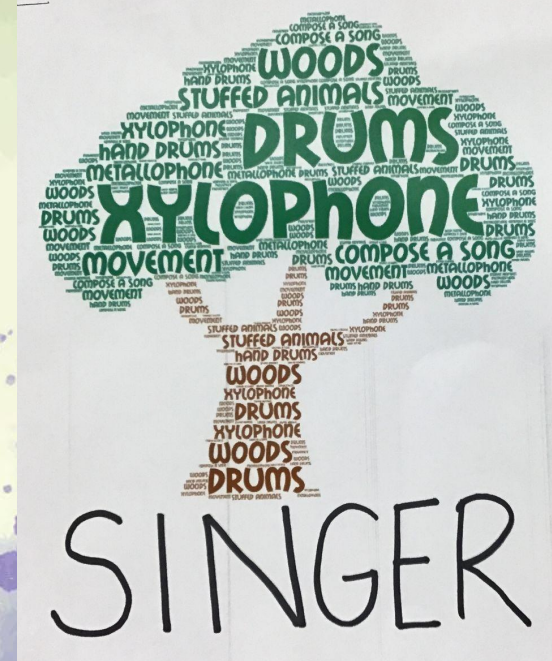

04

Write them down

Leafs, Tree, Word Art

Cather's Theme: Growth Mindset/Plants

05

Compose + Perform

Word Chains +
Rhythmic Speech

Rhythmic Speech + Word Chains

Create a rondo using the Rhythmic Speech, from previous slide, as the A SECTION.

06

Technology + Feedback

Recording, sharing, learning
how to give feedback

iPad guitar gong games
