

ShoeBox Recycling Fundraiser

*Do you need more money than your budget allows for instruments and supplies?
Try Shoebox Recycling! I have done this awesome fundraiser 5 or 6 times and
have raised a lot of money towards instruments!*

- Students and families simply bring in pairs of gently used shoes that still have some life left in them. See chart below for what is allowed/not allowed.
- Pack them (tightly) in large boxes provided to you by Shoebox Recycling.
- Once several boxes are filled, Shoebox Recycling will give you a packing slip for each box, and you call Fed Ex and schedule a free pick-up at your school.
- Then they send you MONEY! And everyone at your school got a great opportunity to clean out their closets!

Who to Contact: support@communityrecycling.biz
