Hey, Little Ant

By Phillip and Hannah Hoose

Illustrated by Debbie Tilley

This awesome book was given to me by the guidance counselor at my school. It has a beautiful message about being kind to others and treating each other the way we would want to be treated. There is a great little melody in the back of the book that can be used to sing the words.

I love to use this book with my littles to reinforce singing voice vs. speaking voice. I sing the ant character and speak the boy character. I also like to pull it out anytime a class is struggling with being kind to each other. This is definitely a must have in your library!
