

# Helpful Hint: Take Advantage!

We are very lucky to live in a state with such a vibrant arts community. Many of our local organizations have wonderful education departments that put on programming for Nebraska students throughout the year. Below I have listed websites for many of the organizations who offer field trips and programs throughout the year. Some of them even offer to send musicians out to your school as well! Ask your PTO or principal for help with funds, or write a grant! Some of these are even free! Please check these out and if you have more to share, please do so on our facebook page throughout the year!
